## **SCHOOL EXPERIENCE DAY**

The Bath Education Trust (BET) is a collaborative voluntary partnership of key education providers in Bath. It aims to provide the very best educational experience for young people in local schools and colleges and prepare them for the opportunities, responsibilities and experiences of later life. Members include:-

- **Beechen Cliff School**
- **Hayesfield Girls' School**
- **Ralph Allen School**
- **Oldfield School**
- **Saint Gregory's Catholic College**
- **Wellsway School**

These schools work alongside Teacher Education at Bath Spa University to provide a high quality, school-centred model of teacher training. This is known as the "BET PGCE Programme".

If you are considering a career in teaching, you now have the opportunity to spend an introductory day in one of the above schools to gain some experience of Secondary Education today. This will normally satisfy the requirement of any PGCE courses which require school experience before commencing study.

#### Content of the day

Our School Experience Day aims to provide you with some essential opportunities to learn, observe and discuss education in practice. The format of the day will be:-

- Start (approximately 9.15am)
- Introduction to the day, meet your school leaders, discuss basics such as expectations of teachers, the National Curriculum and safeguarding
- Opportunity to observe lessons within your subject area
- Discussion and evaluation of your day, exploration of what has been observed and participate in a discussion about learning in advance of a PGCE interview
- Learn about the BET PGCE Programme
- Close (approximately 2.30pm)

**If you would like to participate, please choose a date, complete the application form below and send it to the school which is running the School Experience Day on the date chosen. Bookings must be made in advance. If the day you select is full, you will be advised to select another date.**
